

GMP 2023 template

Place submission ID (as in the submission system) here; leave institution address blank for anonymity

Abstract

This is the GMP 2023 full paper template; based on the Elsevier template for CAGD. Use pdflatex and bibtex to compile it.

Recommended length: 10 to 15 pages (excluding references); submissions should only be as long as justified by their content.

Keywords: First keyword, Second keyword, Last keyword

1. Introduction

A nice introduction with references: ?

2. Second section

An even nicer second section ...
